

**Center for Multiscale Plasma Dynamics
And the
Center for Magnetic Self-Organization**

Winter School 2010

January 4-8, 2010 – UCLA Department of Physics and Astronomy

*“Shear Flows and Momentum Transport in Lab and
Astrophysical Plasmas”*

A P P L I C A T I O N

Name (first)_____ (last)_____

Address:_____

City:_____ Country_____

Phone #:_____ e-mail:_____

Institution:_____

Years in School:_____ Advisor:_____

Research Interest:_____

Requesting Support:Y____ N____ Need Housing Y____N____ Gender_M____F_____

Please review your application information. If any information is incorrect, please send corrections to the Winter School administrator at cmpd@physics.ucla.edu. If you are requesting travel support, your research advisor must send a letter of recommendation to cmpd@physics.ucla.edu.
